## FROM THE EAST

Brethren,

Greetings from the East,

First, I want to say thanks you to all that helped out at the installation ceremony with serving food and refreshments. I also want to thank the installing officers and Doris Fowler who played piano. All of your efforts are greatly appreciated.

We have several events that will be coming up soon that will make for a very busy first half of the year. Founders day on January 9th, Lodge of Instruction on January 11th, and several guys in waiting for their degrees. We will also start planning out the several fundraiser events to be held throughout the year. My hope is that I will be able to schedule another benefit breakfast for the Ronald McDonald House sometime the first half of this year. As always everyone is welcome to help out and be a part of all the activities going on at lodge. We do need volunteers for monthly breakfasts at the Lodge and wheel chair pushes at the Masonic Home.

Our Lodge website continues to improve and is kept up to date with information of upcoming events and activities, which has been great in getting information out to all of the members. If you are not sure what may be going on at Lodge, just to go to our website at [www.greenwood514.org](http://www.greenwood514.org) . If anyone has questions or concerns don't hesitate to contact me. I am honored to serve the Lodge as Master this year and look forward to seeing all of you at Lodge.

Fraternally,  
Tim Curran, Worshipful Master

I would like to give a shout out to all of our members; Thank you for continuing your membership with Greenwood lodge and if you're available please come by for a meeting it's always good to visit with our Friends. Finally please see our Junior Warden if you would like to participate in any degree work, he is always looking for volunteers.

## FROM THE SOUTH

Greetings from the south,

We are about to embark on another year of Greenwood Masonry. Thank you so much for choosing me to be the Junior Warden for 2016. I will do my best to serve and represent Greenwood Lodge in the coming year. We have several friends and brothers beginning to line up for degrees in the New Year, some new candidates and some already on their journey. I never get tired of bringing in new brothers. Each one has their own unique reason for becoming a Mason and their own life changing experience that will only happen once, and I get to be a part of it. I truly appreciate being a part of each and every one of them. Don't hesitate to come be a part of it too.

Fraternally yours,  
Craig E. Placek, Junior Warden

## Euchre Tournament

**Greenwood Lodge will be having a euchre tournament and pitch in dinner on February 20th at 5:30 pm. All adult members, spouses, and family members are welcome to join the fun.**

## Greetings from Greenwood O.E.S. 390

We wish all a Merry Christmas and Happy New Year., My year in the East is almost 1/2 over. We have been very busy. The breakfast and the chicken noodle dinner turned out well. I am looking forward to the rest of the year and hopefully our attendance will be up. I hope all will enjoy our winter break and be ready to come back March 1st. I pray all that have been ill will be well and be ready to go by then. We will have a pitch in dinner at 6:pm. I want to remind all about the Breakfast on the last Saturday in each month, we will probably be short of help since a lot will go to Florida (lucky) people. We were able to help several again this year at Thanksgiving and Christmas. I thank all who worked hard and helped with this project . Remember those who are sick. I would love to have all who can possibly attend the meetings remember they are the 1st and 3rd Tuesday each month. May the Lord bless and be with all of you.

## THE GOLDEN FLEECE AND ROMAN EAGLE

When an Entered Apprentice is presented his apron in Lodge, he is told, among other things, that it is "a badge ...more ancient than the Golden Fleece or Roman Eagle ..." what is the significance of these references?

The Golden Fleece was an order of knighthood. It was founded by Phillip, Duke of Burgundy and ruler of Austria, on the occasion of his marriage to Isabella of Portugal in 1429. This order used the winged golden ram for its badge, and the motto. "Wealth, not servile labor." This order was considered "ancient" even in 1717 when the Grand Lodge of England was founded.

The Romans used the golden figure of an eagle to stand for strength, skill, and bravery. They placed it on the tip of a spear and carried it as a standard at the head of a legion. The Romans used figures of other animals too. But, in 104 BC, the golden eagle became Rome's distinctive design of imperial power. The Roman eagle is used in Masonic ritual, probably because it represents strength, skill and bravery.

**Brethren,**

**Since our last Trestleboard printing, the following members have passed away: Louis Waite, Robert Keithley, Leonard Henderson, David Havelly and Jerry Dowden.**

**“IT’S DUES TIME AGAIN”**

Brethren,

This is the least liked responsibility your Secretary has to perform however it is essential. Your By-Laws state that dues are payable in advance on or before the first day of January. For one reason or another this does not always get done. Suspension notices can be avoided in many cases by notifying us of a change of address and also of a critical change in your financial situation. If you move, let us know. If you have a problem that prevents you from paying let us know.

**WE DO NOT LIKE SENDING PAST DUE NOTICES**

Your cooperation will be very much appreciated.

Fraternally yours,  
Mike Sherrill, Sec.

**Masonic Scholarship forms are now available and are due back to me by March 1st.**

**NEW MEMBERS**

I would like to congratulate the following members who were raised in 2015: James Millward, Kevin Smith, Dace Daniel, William Daniel, Robert Fishburn, Leigh Evans, Jeff King and Spencer Rauch.

**MASONIC EDUCATION**  
**'''3 TIMES 3'''**

“In ancient times the Entered Apprentice Degree was alone prevalent amongst the generality of our Lodges; for no Brothers could be passed and raised except in the Grand Lodge, and few availed themselves of the privilege. Hence they had only one sign, one token, and one word, and these three constituted the honors. But the members of the Grand Lodge had three signs, three tokens, and three words, and therefore, three times three were appropriately termed the Grand Honors.”
